fever presents

Candlelight

Since January of this year, we have become strategic partners with the Spanish company Fever, taking the lead in producing all Candlelight concerts in Chile, as well as events for the brands

- Neon Brush
- We Call It Flamenco, and
- We Call It Ballet

In the past six months, we have successfully organized over **100 events** across **7 cities** in Chile, with more than **75,000 attendees** and an average rating of **4.8 stars**.

We call it **BALLET** (👠👠)

fever Original

We Call It Ballet is an innovative show that transforms classical ballet into a contemporary and captivating experience. This performance combines the elegance and flawless technique of classical dance with cutting-edge lighting technology, delivering a visually stunning event that delights audiences of all ages.

We call it
FLAMENCO ()
fever Original

We Call It Flamenco is a modern and immersive show that reimagines traditional flamenco with a contemporary twist. Blending the passion and artistry of authentic flamenco with stunning lighting and visual effects, this performance offers a vibrant and emotional experience that resonates with audiences of all ages.

NEON BRUSH

Paint in the dark

Neon Brush is a unique and creative event that combines art and fun in an immersive painting experience. Using fluorescent paints that glow under blacklight, participants unleash their creativity in a vibrant, glowing atmosphere. This one-of-a-kind event offers a dynamic and memorable experience that captivates people of all ages.
